VALHALLA V-33

The V-33 from Valhalla offers the same long list of standard equipment and most of the options of its larger V-37 and V-41 siblings, in a twin-outboard configuration. The Stepped-Vee Ventilated Tunnel hull delivers a soft, dry and efficient ride, and incorporates an underdeck compartment molded into the stringers to accept a Seakeeper SK 2 gyrostabilizer. Extensive bait- and catch-storage capacities include a 51-gallon transom livewell and five plumbed in-deck fish boxes ranging in size from 32 to 98 gallons. Options include a hardtop package with spreader lights, rocket launcher, overhead electronics and radar pods, as well as a fold-down marlin tower and fixed or telescoping outriggers.

LENGTH: 32'10" **BEAM:** 9'9" **DRAFT:** 27' **FUEL:** 327 gal. **MAX HP:** 900 **WEIGHT:** 8,777 lb.

PRICE: \$325,000 w/ twin Mercury Verado 400s **VALHALLA:** valhallaboatworks.com
